God's grace is absolutely amazing, we fail to understand how He can be merciful, loving, kind and forgiving to all; even to those who ridicule Him, blaspheme Him, totally deny Him and hurt His children. Consider the closing verse of the book of Jonah:

"And should I not pity Nineveh, that great city, in which are more than one hundred and twenty thousand persons who cannot discern between their right hand and their left—and much livestock?"

God shows here His grace toward the Assyrian nation; history details where this nation did appalling deeds to the Jewish nation, Gods chosen people and yet His hand is stretched out still...
